Kate Mason – Manager

By now, many of you have already been out on the course and played some golf. We held our 1st event, the Opening Day Breakfast Scramble. This tournament was once again a success, and it's all because of you! Be sure to check out the website for a list of upcoming events that you can participate in.

We have all been working diligently to tighten up the loose ends around the course and clubhouse in an effort to give you another great golf season! We appreciate your patience and understanding while we round our game into mid-season form!

Please reach out to any of the staff if you have any questions, comments, or concerns. Looking forward to a great season with all of you!

-Kate

We had our first event over the weekend; the 2019 golf season is officially underway.

Current Open Sign-ups for events:

PemCan Spring Classic
Canterbury Cup

Our Men's and Women's Leagues are open for sign up. The deadlines are fast approaching so don't wait, sign up soon.

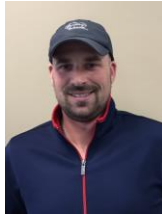

There has been a request for an 18 women's day during the week. This is not a league, it is a week to week game, no commitment, where if you want to play, you can sign up a few days prior. There will be a different format each week of different fun games. More details will be emailed out soon and posted on the website.

I sent an email out about weekly groups here at the course and making sure there are names filled in for those times, everyone has been doing a great job with this and I appreciate that help. This allows us to know who is coming so we can better serve our members and guests.

Still looking to get your game ready for the golf season? The Spring Lesson Packages are still going. More details are available on the website.

The course seems to be getting in better shape by the day, and Robert and I are continuing to do our best for you!

Over the next two weeks we will be re-sodding the tee boxes on holes #3, 5, and 11 as well as seeding anywhere around the course where we still see the effects of the Winter months. We also fertilized the entire course last week, which should yield results soon!

The drainage project on the range has been complete along with the newly paved cart path on hole # 14.

Our daily motivation is to have CWCC in the best shape possible for all of you to enjoy!

See you soon! - Steve

Food & Beverage Manager

Leagues begin the week of the 13th, we look forward to serving all of you in the Tavern again this year!

Member Appreciation Day is May 18th, details to come via email soon!

We will also be expanding our menu this month, and since the Corned Beef Reuben sandwich was so popular, it will now be available all season long!

Lastly, for your convenience, starting next week, we will have the beverage cart out EVERYDAY!

If you are looking to have a business meeting, bridal or baby shower, retirement party, etc. Please reach out to me directly at (603) 783-9400 or email me at kdemartin@canterburywoodsgolf.com

Director of Marketing

I would like to thank all of you who I have meet so far at the course. Each one of you has been very pleasant and provided a warm welcome to me, and I appreciate that.

Our Facebook photo contest was a big success and I will be launching other contests throughout the summer so be sure to stay tuned into our social media channels. If you do not already, please “like” us on Facebook. Our Instagram account will be getting a facelift soon, and this will be an extension of CWCC featuring some great photography from around the course.

We are still taking sign-ups for tee box sponsorships. If you or someone you know may be interested in advertising your business by sponsoring a hole at Pembroke Pines or Canterbury Woods, please email me for more information at gford@totalgolfmanagement.biz
