June Newsletter

Kate Mason – Manager

I don't know about you but I'm ready for the summer sun to kick it into gear! Enough of this rain already. Don't worry, I have a feeling that our patience is about to be rewarded!

There will be many great tournaments and events for you to participate in in the coming weeks. We put these events together for all of you, so please try to come out and have a great time on the course during these special days!

Lastly, we are looking for your help! If you are a member, tell your friends and coworkers how much you enjoy being a member. Invite them to join our email club or come join you for a round. The more we can grow Canterbury Woods together, the more we will be able to do for you! And that's what it's all about!

I hope everyone had a great Memorial Day weekend as the weather was fantastic for any outdoor activities. I'm sure everyone heard the roars as we had three (3) Hole-In-Ones over the weekend! Congratulations to members Scott Hoyt and Paul Destefano for their aces on hole #6 and guest Jon Herrman on hole #17. Great shots gentlemen!

Both Men's and Ladies' Leagues are underway; all results are posted on the website each week.

The PemCan Spring Classic was a great success. Participants have made several comments about it and really enjoyed playing. We look forward to this becoming a tradition for years to come! The bracket is set for the 2019 Canterbury Cup. We look forward to some great matches ahead for this match play format.

Tournaments Open for Sign-ups:

June 20th – Couples 9 and Dine, 5:00pm Shotgun

June 22/23 – Men's and Women's Senior/Super Senior Club Championship, Tee Times

Keep an eye out for July events. I will be sending out emails with the link for sign ups.

We will also be hosting a Junior Golf Camp and golf clinic August 12th-16th. Deadline for registration is June 13th. For sign-up info email me at lcomeau@canterburywoodscc.com

New sod tees are now open and holding up well, can't wait to do a handfull more in the fall!

The fairways on #s 5,7,10 and 16 have had some extensive over-seeding done so please lift and place in the 'ground under repair' areas.

Our new greensmower was delivered and is a great addition to our fleet

This month we will be top-dressing the greens once every two weeks throughout the summer. This is a key part of managing a firm and true putting surface, giving you a better chance of sinking that birdie putt!

Thank you for using the divot bins on the par threes, and it's great to see divots in the fairways being fixed also!

See you soon! - Steve
