Mother Nature has finally been pleasant and graced us with some excellent golfing weather! Over the past weekend we had our Men's and Women's Senior/Super Senior Club Championship. Congrats to our Champions; Scott Hoyt, Nancy Lamb, and Craig Markert.

We are now taking sign-ups for the Women's and Men's Invitationals. These are some fun events and we look forward to hosting your guests. Our next Couple's 9 & Dine is July 18th. We are now taking sign-ups for that. Register you and your spouse for this fun evening of golf and great food.

We began our first Junior Clinics on Monday nights, with 12 kids who came and enjoyed an hour of instruction to learn about this great game. They get most excited about the little competitions for candy or ice cream after the clinic but it's a great way to get them to enjoy the game!

There is a new tip jar outside for our staff, please leave a couple bucks for them as they work very hard to keep the carts clean, sand bottles filled, and the range picked and organized. Thank you for your generosity!

Canterbury Cup matches have been very close and we are down to the Round of 16. The board is hung near the Score Posting station. Check out the current standings there.

Still struggling with the swing and shooting better scores? Come see me for a lesson. I will be happy to help you get back on track to shooting better scores. Rates are posted on the website!

We look forward to some great weather this summer, Happy Independence Day to everyone and be safe doing whatever fun activities you have planned. – Landon Comeau, PGA

Steve Glines
Head Superintendent

My crew and I have been continuing our efforts to give you the best course conditions possible here at Canterbury Woods.

Our latest project has been doing some tree work around #11 to open up that tee box a little bit. Next stop, #13 to open up the left side of the Women's tee box. We are always looking for ways to improve your course! Please be advised that there are now ropes in place on #16 to help keep cart traffic off the slope. This has been done for improved course conditions and safety. Please stay on the cart path in this area.

I must also ask that you please use the divot bins on the Par 3s. This only takes a couple of seconds after you tee off, but will keep these tee boxes in better condition for yourself and others for future rounds!

See you soon! - Steve
