October Newsletter

Kate Mason – General Manager

I can hardly believe that it is October already, can you?

For so many of us, fall is the best time of year! Fairs and festivals, hayrides and corn mazes, and of course, the foliage!

The course is in great shape and the leaves are beginning to change colors. Over the next few weeks the golf course will become more and more beautiful, and it is the perfect time to get out and play a round with friends!

It has been a great golf season so far in 2019, and the best is about to take place this month with the amazing autumn displays around the course!

Be sure to finish your golf season strong and make 2019 your most memorable year yet here at Canterbury Woods Country Club!

We are coming into the best time of year to golf! When the leaves start changing, the course is at its best. The foliage just adds a different dynamic feel to your round. The fact that it only lasts for a few short weeks makes it all the more special!

Steve and his team did an awesome job with the green aerification and the course came through perfectly. These guys are just amazing at what they do! Come out and Golf!

We had our last day of the The Woods Quota Game. Thank you to all that participated during the course of the year. It was another great year of some competitive golf. I look forward to having more members, including some of our newer members participating. Along with our other tournaments, I will be looking to make each of these events bigger and better next year! Be sure to sign up and help grow these already-great tournaments!

During the winter months, we will be looking at organizing a Tournament/Handicap Committee. I will be reaching out to you later in the fall with an email about more information.

Please be aware of Frost Delays. With colder temperatures starting to come in, please be sure to stop in the Golf Shop, for you morning golfers, before you tee off.

There will be continuous sales in the Golf Shop during the remainder of the season. Stop in and see what we have and save a few dollars on some great golf gear!

See you at the course!

Head Superintendent

As Landon mentioned, we will be having that colder air moving in very soon. As many of you are already accustomed to, the night air can get quite chilly over the next few weeks!

Please be aware that there may be frost warnings at the course. In order to properly protect the course, we must occasionally issue a frost warning around this time of year during the morning hours. If you have a tee time or are planning to come play that morning, just call ahead to the Pro Shop to see if there is a delay. When we have a delay, we will open the course as soon as we can, but please be mindful that this is done to preserve the course and exercise patience, we'll get you out there!

See you soon! - Steve

We have our new menu posted on our website! Even if you're not out there swinging the clubs, you can still stop by for lunch anytime!

We are having a Halloween Party on the 26th, open to everyone, so invite your friends to come enjoy a delicious meal by Chef Lee! More details to come!

We will also have a booth at The Taste of NH convention on October 17th. For more information visit:

I need to issue a retraction on last month's newsletter. There was a misunderstanding, however, it is with great pleasure that I am happy to announce that Gary is NOT retiring after this year!

Don't ask....just be grateful that Gary will still be here at CWCC

(it was my fault)

It has been such a pleasure meeting so many of you this year around the course! I sincerely appreciate the kind compliments I have received from so many of you! But...the best is yet to come! I absolutely cannot wait for 2020 at Canterbury Woods!

If you would like to learn how you or your business can become an even bigger part of Canterbury Woods Country Club for the 2020 season, please send me an email at the address below:
