November Newsletter

Kate Mason – General Manager

With each passing month, I continue to wonder where the time goes, and now, suddenly, here we are in November!

I want to personally thank each of you who has visited the course this season. We have had a wonderful year here at CWCC and the future looks brighter than ever!

Stay connected to our website and Facebook page as we will be holding some fun events for you throughout the winter, beginning this Thursday from 4pm-9pm with Cornhole & Cribbage!

It has been so great to get to speak with so many of you this year. It really makes Canterbury Woods feel like more of a community than a golf course, and that is something special that I am very happy to be a part of.

Hope to see you soon! - Kate

Well, the days are limited for golf as the cold temperatures start to settle in.

Don't forget, Pembroke Pines has the Full Swing indoor golf simulators to keep your swing going through the winter months. This is a great tool to work on your swing through the offseason or if you just want to play a round with some friends! No need to spend thousands of dollars on a "Buddy's Trip", just take a short drive to PPCC and tee it up!

PPCC also has a winter simulator league! This is a great way to keep that swing pure through the winter! Call Ben to set up a tee time at 210-1365.

We had our final event of the 2019 season recently. The Turkey Shoot ended up being a great day for golf and Chef Lee did not disappoint on his meal!

Over the course of the winter, we will be looking to setup a Tournament/Handicap Committee to assist in organizing, running, and promoting the events here at the club. There will be an email sent later in the winter to gather names of those who may be interested, and we will nominate a committee from there.

Everything in the Golf Shop must go! Come check out the great sales on merchandise and grab the remaining few items at a great price! There is still plenty of nice items left, maybe start that Christmas shopping a little early?

See you at the course!

Not much to report to you at the close of the season on my end. We will be doing the usual routine maintenance on the course to help have it ready to go for you as soon as possible next spring!

I would like to send a big “Thank You” to all of the members for their support during this roller coaster of a golf season! Many of you know about some of the obstacles I have had to face this year, and your encouragement and compliments throughout the season really meant a lot to me!

It would be an understatement to say that I am looking forward to seeing all of you again next season...I can not wait! Have a safe and warm winter!

See you soon! - Steve

When the golf ends outdoors, come inside the Canterbury Tavern for more good times this winter!

Every Thursday evening from 4:00 p.m. to 9:00 p.m. we will be holding cribbage games and cornhole tournaments in our “Mountain View Room”. I will be here behind the bar so you never go thirsty, and Chef Lee will be preparing some delicious food for you to enjoy! Come on by and have a great time at your course all year long!

We are still taking reservations for winter functions. If you are looking to host a business meeting, holiday party, bridal or baby shower, or any other event, our Mountain Room is the perfect setting for your function!

For more information on functions and events, call Erin at (603)783-9400 ext.3 or email to ehouston@canterburywoodsc.com

It’s hard to believe that the golf season is winding down to an end.

2019 has been a great first year for me here at Canterbury Woods and I am very much looking forward to 2020!

I am already working on numerous projects to further enhance your experience, not only at CWCC, but also through our website and social media outlets. Next year we will really be looking to take a leap forward in the digital world, and you are going to love it!

If you would like to learn how you or your business can become an even bigger part of Canterbury Woods Country Club for the 2020 season, please send me an email at the address below:
