## April Newsletter

**Kate Mason - Manager**

At last...it's time to tee it up! It has been a long winter, but our entire team has been hard at work to make 2019 CWCC's best year ever!

Thank you again for your input into our surveys. It really lets us know what needs to be done to give you the best experience possible, and that is what we are all about! We have constructed a brand new website as well as addressed other issues such as our pace of play, fresh cold water on the course, and more as we continue to strive to make Canterbury Woods the #1 golf course in the region!

We are very excited about the upcoming season, and I know you are as well. Please reach out to any of the staff if you have any questions, comments, or concerns. Looking forward to a great season with all of you!

Head Golf Professional**

The grass is showing, golf is almost here! 2019 is going to be a great season, we have emailed the Member Events schedule out, please look at some of the changes and new events added, like the PemCan Spring Classic and new, two day, Fall Classic format. I am looking forward to a great tournament schedule.

Speaking of tournaments...the first, and best major in my opinion, is a few days away. The most pristine, prestigious, golf course with the best players in the world and the sound of Jim Nantz saying "Hello Friends..." is what kicks off the golf season for me. Read below for details on our 1st ever Member Open House / Masters Party!

We will be watching you! New this year, we have added tracking devices to the golf carts so we can track pace of play on the golf course. Partnering with a company called Cartrac, this little disc that is wired into the carts will let us know where the carts are so we can see any backups through an online system. This is one step towards bettering our pace of play here at Canterbury Woods and enhancing your experience!

Merchandise is starting to come in. The golf shop will be full of new merchandise from Adidas, Under Armour, Columbia, Footjoy, Nivo and more. We are excited to bring in some of these new lines in response to your feedback from the surveys.

The buzz around the building is exciting and the staff is ready for another season of great golf and comradery here at Canterbury Woods.

**Steve Glines**  
**Head Superintendent**

The sun has been working hard to melt the last of the snow out there, and I have been working equally hard to get the course ready for you to enjoy. I am also happy to announce that the ball washer has been rebuilt and restocked, meaning you can now practice with nice, clean balls...all season long! After hearing your concerns from our surveys, we have successfully removed "The Widowmaker". You can now feel at ease riding from the 2<sup>nd</sup> green to the 3<sup>rd</sup> tee without fearing for your life! Lastly, here's a picture of the new bridge #15:

See you soon! - Steve

A devoted husband and father of five from Londonderry, Gregg will be handling our websites, social media, email club, marketing, and more! You may see him out on the course or during our member events taking some photos, don't be shy. You really have to love golf to do his job, and he does!
