Dear Valued Member,

As we are moving into our membership drive for the 2024 golf season, I wanted to give you a couple updates. We are expecting the new clubhouse at Pembroke to be opening by mid-September. We cannot wait to show this beautiful facility to all of you! The new club includes a 250 person, beautiful cathedral post and beam venue, 1759 Grille with indoor and outside seating, and of course a gorgeous pro shop, all overlooking the 18th hole.

Ridgewood Country Club is currently on the market, therefore they may or may not be included in the multi course golf privileges for next season. If a sale does not take place, then they will continue to be part of the Total Golf Management family.

As we start to look at more of the details of the membership options for the 2024 season, we have some exciting changes. Brand new this year! Instead of receiving your guest passes, tavern credit, and range for signing up early, we are going to give you \$500 in loyalty dollars that you can use at Canterbury Woods for anything you would like. This way it's more flexible and beneficial in a different way for each one of you. You can use it to treat a friend to a round of golf or lunch, purchase a new shirt or hat in the pro shop, or grab a bucket of balls at the driving range. Cart fees and membership purchases are excluded from the loyalty dollars.

2024 season cards for members will be ready for pick up in the pro shops at the beginning of the season.

Sincerely,

Kate Mason
