Landon Comeau, Head Golf Professional –

The Master's never disappoints. What a great Sunday finish! Patrick Reed held his own to stay ahead of the charging Jordan Spieth. Congratulations to Patrick on winning his first major. When he comes to play Canterbury Woods, does he get a parking spot?

If watching the Master's doesn't get you excited for golf season then I don't know what will. Wait, the fact that we opened last week will help! We had a very good turnout for Opening Weekend with over 100 golfers coming out to contest the cold temperatures and gusty winds. This weekend's forecast has some spring temperatures making it a little more tolerable and less wind to toughen the course. We look forward to having people out to play.

Just a reminder of the Opening Day Breakfast Scramble coming up on April 21st. Breakfast will be served at 7:30am and a shotgun start at 9:00am. This will be a great event to kick off the 2018 season.

Men's and Women's League information will be coming out in the next week. Please check the website. Sign-ups will be taken starting Monday, April 16th. Please call or stop by the golf shop to sign up.

There will be a meeting for the Women's League on Monday, April 30th at 5:30pm in the dining room here at Canterbury Woods. We will talk about the few changes for the league and open discussion about the league. We hope you can attend.

First walkers of the year!
