## A Message from Management

The course conditions at Canterbury Woods CC continue to be excellent thanks to Steve and his crew. Relative to our greens, I think all our members and guests will agree that they are as good, if not better, than any private course in New Hampshire! Recent down pours caused a challenging situation for our bunkers, but rebuilds are well underway.

The 2018 Membership Drive starts on August 1. We are offering some great incentives to current members who sign up early. Plus, new members will be able to play for the remainder of 2017 for FREE as part of their 2018 Membership. We encourage everyone to take advantage of these "early bird" membership benefits and sign up soon. We thank all our members for their continued support and we hope you will choose to continue to enjoy all the wonderful amenities CWCC has to offer!

Please be reminded that beverages and food in the Tavern can only be served by Tavern staff. Members and guests are not permitted behind the bar or in the kitchen.

All the 2018 membership information, including incentives and pre-payment schedule, is available in the pro shop and on the website. If you have any questions, please talk with the Pro Shop staff or contact me at 783-9400 ext. 14.

August has some great golfing events coming up and the Tavern continues to offer fantastic food and beverages. As always, all of us at CWCC welcome and appreciate your thoughts and suggestions.

Sincerely-  
Kathleen Dube  
General Manager, Total Golf Management

The 2017 Member-Guest events are now behind us and we look forward to the club championships as the next major tournaments in August.

The Women's Member-Guest and the Gentlemen's Invitational the end of July were very successful events and a fun time was had by all! Participants enjoyed a full breakfast each morning, sandwiches at the turn, great gifts and a nice banquet with prizes following play. Congratulations to gross winners Beth Hamilton and Marge Bell in the Women's event and playoff winners Nick Sceggell and Tim Cameron in the Men's event! See the full list of winners on the website.

The Women's Club Championship needed to be postponed due to some course repairs following recent down pours and will be scheduled for a new date in August. The Men's Club Championship will take place on August 19 and 20. Both events will include a regular and senior division, and will undoubtedly bring some good competition between participants. Be sure to sign up early in the Pro Shop!

The Pro Shop has a large selection of new apparel and accessories and the new fall selections will be arriving and available in mid-August. Stop in and see what we have!

July was a busy month at the course with a number of private outings. These events help us to keep our membership prices competitive. Please know that we appreciate your patience and flexibility during outing days and remember that you can play at Pembroke Pines or Ridgewood on these days, regardless of your membership type.

Hope to see you at the course soon!  
Walter

## Turf Talk

We continue our work on the greens to insure the proper roll and speed. In addition to lightly top-dressing bi-weekly and brushing weekly to take out the grain, we have lowered the reels on the greens mower for the smoothest cut possible.

I want to thank everyone for fixing ball marks on the greens and for using the divot mix to fill divots on the tee boxes and in the fairways. This really helps us to maintain the excellent conditions that you expect.

Thank you also for your patience as we refill the bunkers and make necessary repairs after the down pours over the last few weeks.

Steve and the Maintenance Crew

Congratulations to all the flight winners in the Gentlemen's Invitational and to overall winners Nick Sceggell and guest Tim Cameron.

Congratulations to first place winners in the Women's Member-Guest Tournament:

Net category – Mary Jane Cleveland and guest Jennifer Cleveland

Gross category – Guest Marge Bell and Beth Hamilton
