## Pro's Corner

*Walter Reeves, CWCC Head Golf Professional*

We are off to a great start here at CWCC in spite of some cooler weather and a later opening. The course is already in fantastic shape, thanks to Steve, and getting better every day. We're happy to see the weather is finally improving and warming nicely.

As always, the annual Opening Day Scramble went over well. It was a little cold, but a fun time was had by all players. Congratulations to 1<sup>st</sup> Place winners Robin and Bill Mungeon, Nick Sceggell and Lee Waples!

The annual Spring Classic takes place on May 20. This event is open to members and non-members and is always lots of fun for all participants. The entry fee includes prizes, a meal following play, and golf and cart (for non-members). Call the Pro Shop to sign up soon!

Women's Monday Night League play has already started and the Men's Thursday Twilight League begins on May 25. Leagues are open to members and non-members and substitutes are always needed. Look for information on the website and sign up in the Pro Shop.

We continue to receive new inventory for the Pro Shop every day. Please check out our great supply of merchandise and apparel. I am happy to special order anything you need that we don't have in the Shop. Plus, this is a good time to take a look at your clubs and do any repairs and/or regrips before the season is in full swing. I am available to work with you to make repairs to fit your needs and golfing style.

Hope to see you on the course!

Walter

## Upcoming Events

Member Appreciation Day – May 13

Spring Classic – May 20

Men's Thursday Twilight League Begins – May 25

## Turf Talk

I am pleased that the course came through the winter well and is in really good shape for this early in the season. Aeration is planned for May 15 and May 16. We will be lightly topdressing during the week afterward to make sure the holes are filled to the top for a true putting surface. Thanks for your patience with the aeration process. It really makes for a healthy putting surface throughout the season.

We continue to improve the fairways. Besides regular maintenance, we are trimming and cleaning out more tree areas for better play around the hazards.

Please keep in mind that the course may be soft in spots so pay attention to the cart direction signs.

Hope to see you on the course soon!

Steve and the Maintenance Crew

Hungry on the turn??

Don't Crash and Burn!

Check out all the Grab & Go options on  
the Beverage Cart and in the Tavern!

**Congratulations to Member Dave Shea for  
shooting a Hole-in-One on Hole #6!**
