Landon Comeau, Head Golf Professional –

We kicked off our Member Tournament Schedule with the Opening Day Breakfast Scramble. It went very well with 71 participants in the field. Our next event will be the Spring Classic on Saturday May 19th.

The Woods Quota Game has begun. We have 34 participants the first Saturday. Results have been posted on the website. Congratulations to Dave Pabst on beating his quota by 10 points. Great Playing Dave!

If anyone is interested in playing in a Monday Pro-Am, the schedule is available online, please let me know and we can arrange to play.

Good luck to our Club Champions Beth Hamilton, Travis Banga and Perry Powers playing on Saturday May 19th in the City Tournament of Champions at Beaver Meadow. Represent Canterbury Woods well for us.

Let's hope the idiom "April Showers brings May Flowers" comes true as we need some better golfing weather in our future.

Golf season is under way, see you all on the first tee.

Steve Glines, Superintendent –

We completed our Greens Aerification last week. We used a small tine punch with a vigorous top dress to fill the holes the best we could. They should all be healed in time for the Spring Classic.

We have started edging bunkers on the course. This will take some time but will give them a very nice clean look.

Kristin Severiano, Food and Beverage Manager –

Golf season has finally arrived! I'd like to thank the "Tavern Team" and all who attended for making our Opening Day Breakfast Scramble such a success! We have some exciting changes taking place. Familiar and fresh faces will provide top-of-their-game service in the Tavern and on the beverage cart. We will now be offering a light breakfast every Saturday & Sunday from 8-11am! Be sure to check out some of our new menu items.

Hungry at the turn? Don't crash and burn... We offer a wide variety of Grab & Go items in the Tavern as well as on the beverage cart. Enter into our monthly drawings to win a \$25 Tavern gift certificate. * Applies to food only* Fill out and submit entry tickets at the bar.

I'd like to thank our members for all the positive feedback thus far as we continue to strive for excellence!!!!
